NEWS FROM YOUR GET-AWAY HOME ON EAGLE BEACH

Greetings!

## We have great news to share!

**Bucuti & Tara were awarded the honor of being one of the "Top Ten Romantic Resorts of the Caribbean" by Coastal Living Magazine, a leading lifestyle US magazine in the February 2011 edition, and featured on CNN.com during the Valentine's Day weekend.**

President and CEO of Bucuti & Tara Beach Resorts, Ewald Biemans said, "This recognition from Coastal Living magazine validates our commitment to offer the ultimate experience for destination weddings, honeymoons and special occasions turning our guests' dreams and desires into reality."

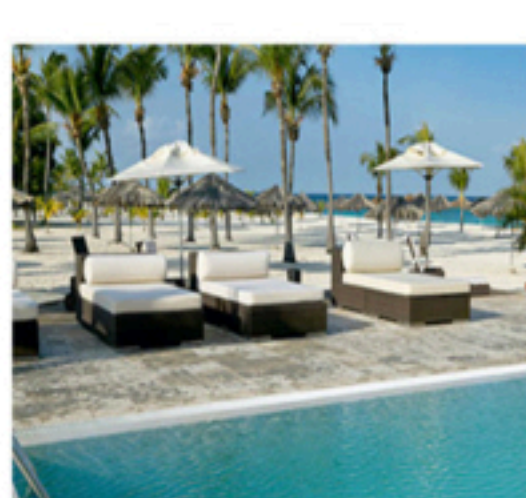

Located on the white-powder sands of Eagle Beach, designated as one of the "Dream Beaches of the World", over 60 couples from 26 different countries tied the knot at the Five Star Diamond resort in 2010.

Artfully arranged on 14 acres of Eagle Beach, Bucuti is a boutique-style resort designed exclusively for couples, with an adults-only policy (no guests under the age of 18). **Go Ahead, Indulge:** After a couples massage on the beach, relax beneath the shade of a comfy palapa for two.

**Make A Date:** It's all about just-caught seafood and toes-in-the-sand chic at the Flying Fishbone restaurant, 20 minutes from Bucuti. [flyingfishbone.com](http://flyingfishbone.com)

**Best Sunset:** Sign up for a horseback ride along the sandy coastline at dusk.

**Rates:** From \$393, 297/583-1100 or [bucuti.com](http://bucuti.com)
