

ROMANCE SEEKERS

Bucuti & Tara Beach Resort, Aruba

The ambiance of Bucuti & Tara Beach Resort exudes an air of sophistication from the moment you're offered a champagne flute at check-in. With only 104 rooms, this resort feels intimate and sedate. The resort is not all-inclusive but breakfast is complimentary and you can dine in town or at any of the three restaurants on the property.

Watch the waves from the comfort of paired lounge chairs on Eagle Beach at sunset; book a couples massage at the spa; or catch one of the twice-weekly movies on the beach, shown under the stars.

Booking an oceanfront suite will easily ramp up the romance quotient. If you need more inspiration, contact one of the resort's romance concierges who can customize anything from sizzling salsa dance lessons to moonlit hikes at nearby Arikok National Park.

This four-star resort was named Trip Advisor's No. 1 Hotel for Romance in the Caribbean for three successive years: 2016, 2017 and 2018.
