

This Resort Was Awarded As The #1 Hotel In The Caribbean—And It's The Beachfront Paradise You'd Expect It To Be

by TripAdvisor | Nov 27, 2019 | 6:00 AM

Every year, TripAdvisor travelers vote on their favorite things around the world for our Travelers' Choice Awards. We highlight the top picks in all things travel with categories such as destinations, restaurants, vacation rentals, airlines, beaches, and hotels (which we're covering here). Below, we're highlighting the **top-ranked hotel in the Caribbean**, as chosen by the TripAdvisor community. For the rest of 2019's winners in all other categories, see our [Travelers' Choice Awards page on TripAdvisor!](#)

Bucuti & Tara Beach Resort Aruba

Palm - Eagle Beach, Aruba

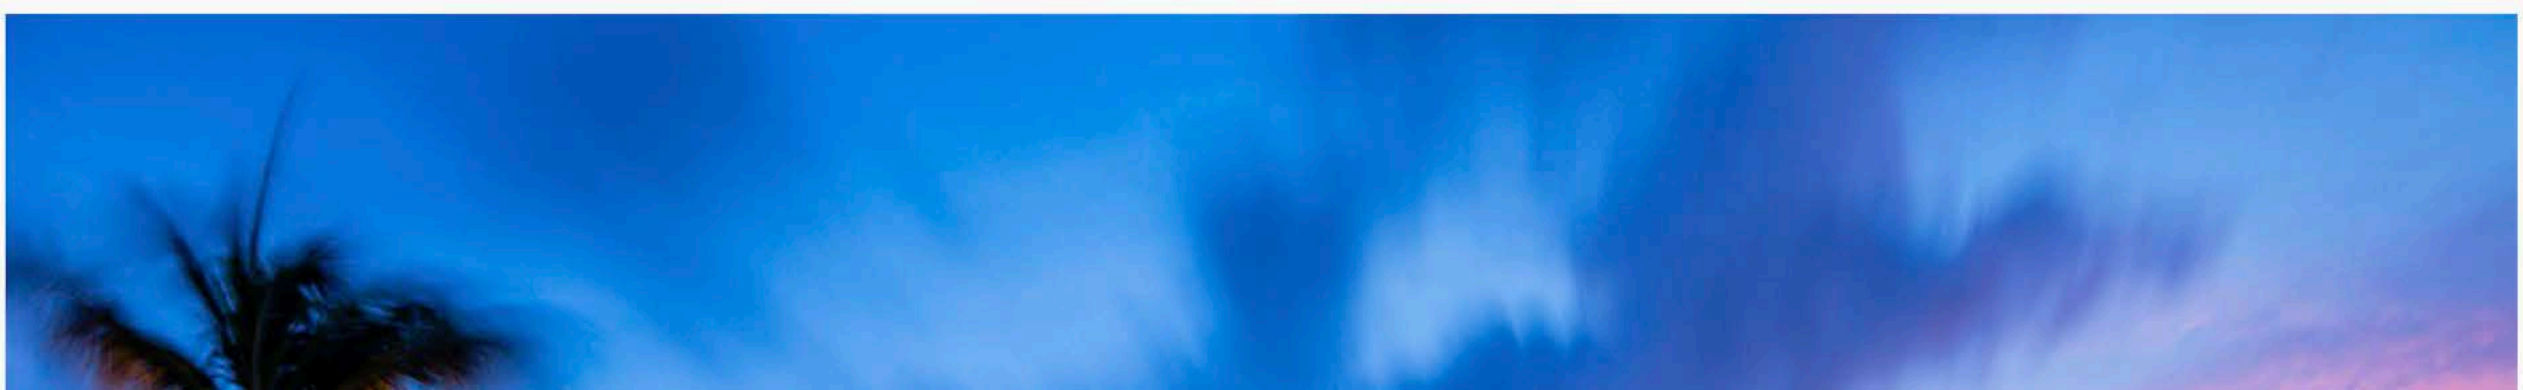

Average Traveler Rating: 5/5

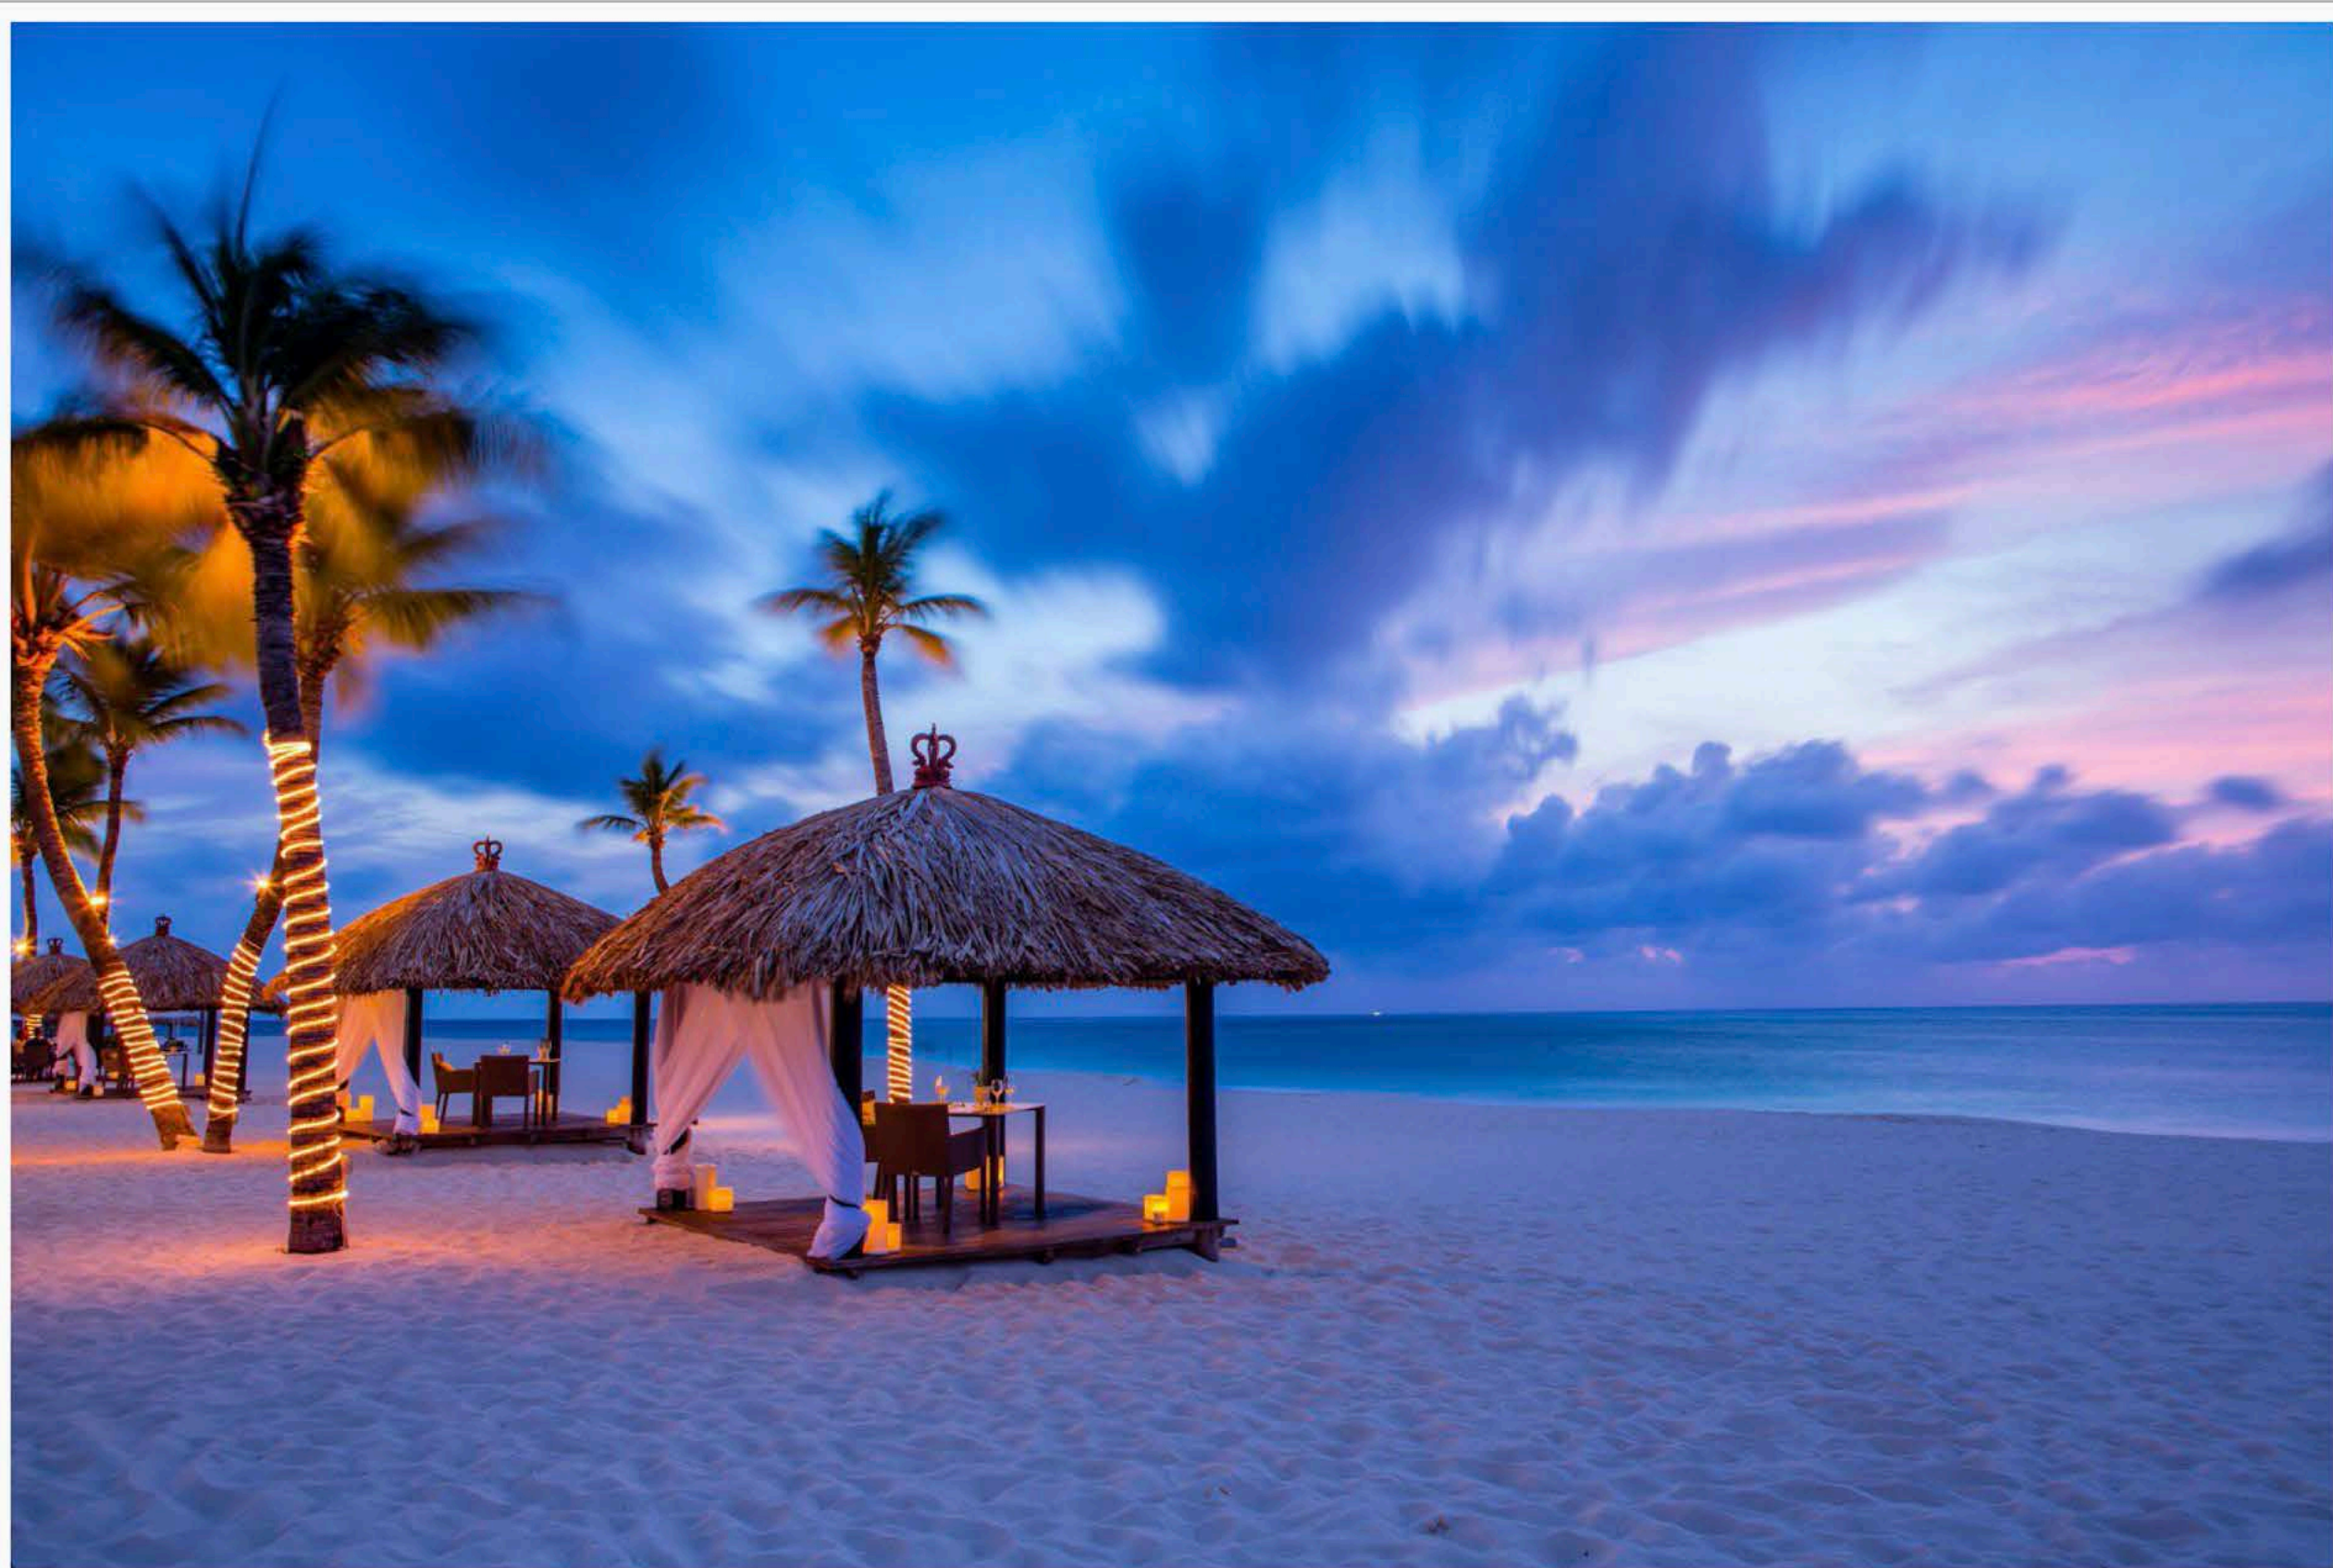

This adults-only, romance and wellness resort, located on Aruba's spacious and beautiful Eagle Beach, is award-winning and owner-operated. The 4-star and 4-diamond resort receives high satisfaction ratings and recognition that includes #1 Hotel for Romance in the Caribbean 2017, Top 3 Beach Destinations in the World, Conde Nast Gold List, and Green Globe High Achievement Award. Bucuti & Tara Beach Resort is eco-friendly and offers a tranquil boutique experience with friendly service. The intimate atmosphere is exclusive and relaxing to couples seeking tranquility and romantic experiences. No groups and no all-inclusive packages available. Two top restaurants available on property and romantic beach dining. Breakfast is free daily. No surprise fees added at check-out.

Travelers Say: "This place was beautiful and the best beach around! It was pure paradise. Everyone is so nice and caters to you the entire stay. The food was amazing and we highly recommend this place for a nice quiet relaxing vacation." – [Traveler Review from Dpavone0920](#)

"Home away from home, while you're on a beautiful resort and soaking up the beautiful weather and island. The entire staff from housekeeping to our service representatives took excellent care of us. Friendly, warm and inviting." – [Traveler Review from Beth L](#)

About Palm - Eagle Beach

About Palm - Eagle Beach

Inhabited since the year 1000, Aruba is an island rich in history and culture. Eagle Beach is an idyllic Caribbean beach, with white sands and turquoise waters, and is frequented by water sports enthusiasts. Palm Beach, on the island's west side, offers perfect swimming conditions and powdery sand. Those more concerned with conditions under the waves won't want to miss the wreck of the torpedoed tanker Pedernales, a popular diving site. Aruba is only 20 miles long, thus easily explored by bike or moped.
