### Bucuti & Tara Beach Resort, Aruba, Caribbean

On the little-known island of Aruba, sandwiched between swaying palms and gently-lapping azure waters, lies the first certified carbon neutral resort in North America. [Bucuti & Tara Beach Resort](#) reached the milestone in 2018 and it's already looking to go one better, striving to become carbon negative (meaning it removes more carbon from the atmosphere than it emits). On top of all these impressive accomplishments, the adults-only resort is the height of luxury too.

[Discover why these amazing beaches could disappear in our lifetimes](#)
